## Laboratory Equipment and Uses Worksheet

Identify the laboratory equipments and write down their main functions:

|    | Name | Function |
|----|------|----------|
| 1  |      |          |
| 2  |      |          |
| 3  |      |          |
| 4  |      |          |
| 5  |      |          |
| 6  |      |          |
| 7  |      |          |
| 8  |      |          |
| 9  |      |          |
| 10 |      |          |
| 11 |      |          |
| 12 |      |          |
| 13 |      |          |
| 14 |      |          |
| 15 |      |          |
| 16 |      |          |
|    |      |          |
